PROPAK PHILIPPINES 2021 RESCHEDULED

Informa Markets, the organiser of ProPak Philippines 2021, announced that the 2021 edition will be rescheduled from the original schedule on 27 – 29 January 2021 at the World Trade Center Metro Manila, Pasay City. The new dates for ProPak Philippines will be advised soonest possible.

We see this decision to move the event as being in the best interest of our event attendees, partners and staff. The rescheduling of ProPak Philippines will provide an event of enhanced quality, with more exhibitors and qualified trade buyers. Please accept our apologies for any inconvenience caused.

During these times, it is more needed than ever before that the packaging industry has platforms to come together. Therefore, we have launched a comprehensive digital platform to break the physical restrictions and facilitate unlimited connections among the packaging industry during this unprecedented time. This innovative digital platform encompasses a brand-new opportunity like an online marketplace to connect buyers and suppliers, tailor-made virtual meeting and seminar, and reaching your target market through our EDMs (Electronic Data Mail).
